**A 3-day stay, in B&B, in one of our comfortable rooms in rustic style  
inside the main House and excursions.**

We offer a day dedicated to the Bike&Boat excursion. You leave Ca' Zen on your bike and you arrive at Santa Giulia (Porto Tolle); typical lunch; departure on board one of the typical flat bottomed boats guided by local fishermen who take you to discover the most hidden and fascinating places in the Po Delta.

The second day is entirely dedicated to a day-trip to amazing Ravenna, only one hour from Ca' Zen. We can organize you the journey. Arrived in Ravenna a guide will take you to visit the most important highlights in the city centre, declared PATRIMONIO DELL'UMANITA' DALL'UNESCO, such as the Basilica di San Vitale and the Tomba of Dante Alighieri. Lunch in one of the typical restaurants with traditional menu and then, always with the guide, transfer to Classe, about 5 km from Ravenna, to visit the Basilica di sant'Apollinare and the Classis museum, which will be inaugurated on 1<sup>st</sup> December 2018.
