

Tenuta Ca' Zen

Horses & Riders in Ca' Zen

"... Far from the madding crowd..."

Four days in a dreamy, antique and authentic country House, located between the Po Delta reserve, the Chioggia lagoon and Island of Albarella, to stay in a unique and amazing corner of Italy.

1st day

Accommodation for horses in their boxes in our stable: bedding of wood-shavings, hay at will.

Accommodation for Riders in our fascinating rooms in the Villa and its rustic annex buildings.

Dinner served in front of the fire: our cheeses and cold meat, first course of our own Cooking, with vegetables directly from our kitchen garden, game or meat farmed here as second course, homemade dessert.

2nd day

The morning after, after having a generous breakfast (for horses and Riders), everybody goes saddle up, a little work in the manege and/or with jumps and then a ride in the countryside and on the river bank to explore the Island of Ariano. You will be guided by a local guide.

On re-entry horses can enjoy their afternoon in our paddocks, while Riders can go out for an excursion by boat discovering the Po Delta, or visit some of the most famous and vibrant towns near Ca' Zen, such as Adria, Chioggia, Comacchio, Loreo,...

The evening, Riders can have dinner in the House or we will be at your disposal to suggest fish or meat restaurants nearby.

3rd day

Departure with horses and vans to get to *Barricata* and a ride on the beach guided by the expert *Chiara Angelini*.

Re-entry to *Ca' Zen* and *relax* in *paddocks* for horses.

For Riders, a pleasant reading by the fire... Or, why don't you complete the sporting day *cycling* along the *Via delle Valli*?

Dinner in a suggested restaurant or in the *House*.

4th day

Horses and Riders leave to go to *Albarella*, where together with the instructor *Mario Bettella* you can have a fantastic walk on the beach or, for the most skilled, work with jumps inside the beautiful sand manege of the equestrian club.
